EVIE ALEXANDER

Bio

Evie Alexander is the author of sexy romantic comedies with a very British sense of humour. She takes a method approach to her work, believing her capacity to repeatedly fail at life and love is what has given her such a rich supply of material for her writing.

Her interests include reading, eating, saving the world, and fantasising about people who only exist between the pages of her books. She lives in the West country with her family.

HIGHLAND GAMES

Welcome to the hottest winter Scotland's ever seen...

Zoe's always played it safe, just as her parents wanted. But when her great-uncle dies and leaves her a ramshackle cabin in the Scottish Highlands, she decides it's time to change her life.

Upping sticks seems like a good idea in her cosy flat in London, but the reality is very different. There's no electricity or running water, the roof leaks and there's no front door. If that wasn't bad enough, she's moved up in the depths of winter and her scorching hot neighbour wants her out.

Rory's got a fifty thousand tonne problem. If he can't make Kinloch castle profitable, he's out of a job. He needs a clear head, but there's someone living in the cabin he saw as his own and she's turned his world upside down.

Rory needs Zoe out of Scotland, and out of his life. The trouble is, she has no intention of leaving.

PRAISE

HIGHLAND *Games*

'A hilariously funny and sizzlingly sexy romp in the Scottish Highlands. This book had me crying with laughter and begging for more...'

Margaret Amatt, author of The Scottish Island Escapes series

'A fantastic, funny and oh so sexy story, full of Highland mischief and romance!'

Julia Jarrett, author of the Dogwood Cove series

'This book is bloody brilliant. It's snortingly funny, honest, page turning and downright fabulous. As soon as the book starts you know you are in a safe pair of hands. The writing is tender and intelligent and then moves quickly to engaging and provoking. I was hooked.'

Highland Games has smoking sex scenes, and I mean the pages were on fire, but they are also fun. Evie Alexander writes sex like it's fun and joyous and bouncy. Imagine two otters having the time of their lives in a bowl of trifle. If this isn't the best rom com of the year then I don't know what is.'

Liz Hurley, author of The Hiverton Sisters series

'Is there a reason you're just discovering Evie Alexander? Where have you been?! Evie's writing crackles and pops with the most delightful characters and wit. And don't get me started on the steam!

I can NOT wait until the next book.'

Kelly Kay, author of The Five Families Vineyard series
